

13th CL Davis Diagnostic Pathology Symposium: The Veterinary Pathologist and Forensics

October 18, 2013, Friday, 8am- 5:30pm

Town & Country Resort and Convention Center, San Diego, California

in conjunction with AAVLD annual meeting

The Charles Louis Davis DVM Foundation will be conducting an eight-hour continuing education symposium entitled “The Veterinary Pathologist and Forensics” on October 18, 2013. Course Director Matti Kiupel (Michigan State University) and invited guest lecturer Richard Stroud (U.S. Fish and Wildlife Service, Division of Law Enforcement, retired Veterinary Medical Examiner; Forensic Veterinary Consultant) and Glenn Wagner (San Diego County, Chief Medical Examiner) will ensure an exciting day of continuing education. Topics include a general overview of forensic medicine and the role of the medical examiner in contrast to veterinary forensics. Examples of animal forensic cases will be used to illustrate the role of veterinary forensics and forensic lesions of veterinary importance will be discussed. Furthermore, an overview of court room considerations and the testimony will be given. Didactic lectures will be combined with audience participation to result in an engrossing day-long seminar. At the end of the symposium additional cases will be discussed and the audience will be able to ask detailed questions reflecting their own experiences. CL Davis is an approved CE provider. Don't miss out on what promises to be another exciting C.L. Davis/AAVLD co-sponsored symposium.

Tuition of \$125 includes refreshments, CD of presentations and continuing education credits. Please Pre-register to guarantee receipt of materials. Registration is through CL Davis and is separate from meeting registration fees.

Additional information and registration materials are available at the CL Davis Foundation
