

Virology Symposium

at the

58th AAVLD/119th USAHA Annual Meeting

Providence, Rhode Island

Rhode Island Convention Center

October 22-28, 2015

When:

Oct 22, 2015

10:00 am-3:00 pm

Where:

Providence, RI

Rhode Island Conv. Center

For more information:

[Virology Symposium](#)

Next Generation Sequencing Technologies:

Transforming Veterinary Diagnostics

The symposium at the AAVLD/USAHA meeting is a remarkable opportunity to learn how next generation sequencing (NGS) is revolutionizing diagnostic microbiology and virology. NGS coupled with powerful bioinformatics analyses allows for investigations into outbreaks caused by pathogens with geographical traceability and for detections of emerging, foreign and/or novel pathogens. Symposium speakers will provide current information and development with examples in the application of NGS technology in veterinary microbiology and virology.

Virology Meetings at Annual Meeting

Thursday October 22

10:00 am-3:00 pm Virology Symposium

Friday October 23

1:00 pm-4:00 pm Virology Committee Meeting

Saturday October 24

7:45-11:30 am AAVLD Plenary Session

1:00-3:00 pm Virology Scientific Session

Sunday October 25

8:00-11:30 am Virology Scientific Session

Monday October 26

7:30 am-12:00 pm USAHA/AAVLD

Joint Plenary Scientific Session

Registration deadline: October 8, 2015.

REGISTRATION

This is a separate registration. You will also need to register for the USAHA/AAVLD Annual Meeting.

Registration for NGS Symposium\$100

Student Registration for NGS Symposium\$75
