

## J. Lindsay Oaks Bacteriology Award 'Noah Hull'

---

*Noah Hull completed his bachelor of science in molecular biology from the University of Wyoming in 2012. He then went on to earn a master of public health with a focus in epidemiology from the University of Alabama at Birmingham in 2013. He returned to the University of Wyoming to pursue his PhD in infectious disease epidemiology and molecular diagnostics. He is currently in his third year of the program. His research focuses on the creation and validation of a novel qPCR assay for brucellosis.*
