## Kari Meidenbauer Biography 2013

Kari Meidenbauer, originally from Annapolis, Maryland, is a DVM candidate in VMRCVM's Class of 2016 and is concurrently enrolled in the Master's in Public Health program with interests in pursuing a career in public safety and regulatory medicine. Kari graduated from Virginia Tech in 2012 with a bachelor's degree in Biological Sciences where she participated in multiple research projects including an ovarian cancer study as well as a study on the gut micro flora in lean versus obese equines. Currently, Kari is serving as the Vice President of the MVMA Student Chapter, the President-elect of the Public-Corporate Veterinary Practitioners Club, and is a part of multiple other nationwide Veterinary organizations. In her free time she likes to spend time with her friends and family, and her two year old Cairn terrier, Lily.
