- There are multiple companies that provide taxi cab services at the San Diego International Airport. Once you have landed and grabbed your bags, follow the signs to the Transportation Plazas. There, a customer service representative will place you in the first available taxi.

Shuttles

- Shuttles, similar to the taxi cabs, can be boarded at the Transportation Plazas. There a customer service representative will place you in a shuttle.

Ride Share

- If you wish to use a ride share app such as Uber or Lyft, simply download their apps on your smartphone. From your app you can request a car from the airport to take you to the hotel.

Rental Car

- Effective, January 20, 2016, all car rental pick-ups and drop-offs for rental car companies serving San Diego International Airport will occur at the new Rental Car Center. Free dedicated shuttle busses will run continually to ferry customers between the airport terminals and the Rental Car Center. Check [HERE](#) to see the rental car agencies available.
